February 2018

A few items of information for you or your association newsletter:

The Board Corner: Perspectives from Penny – County Executive Bryan Hill will present his proposed FY2019 county budget on **Tuesday, February 20**. Most of the development of the proposed budget was done before he assumed office in early January, but the final package will be his proposal. The Board of Supervisors will spend March and April examining the recommendations, and making changes, before adoption of the revised budget on **Tuesday, May 1**. The Board of Supervisors' budget discussions are broadcast live on cable Channel 16, and also on demand at www.fairfaxcounty.gov.

By law, Fairfax County must adopt a balanced budget every year. This is in marked contrast to the inability of the federal government to agree on a budget, relying instead on the fits and starts of multiple Continuing Resolutions, or CRs, to keep the federal government running for a few weeks or months at a time. Local governments can't, and don't, operate that way. Local taxpayers rightly expect credibility, consistency, and common sense from their local elected officials in the use of local tax dollars. Leaders are elected to make the hard decisions, not abrogate that responsibility by kicking it down the road.

Elsewhere in this newsletter is information about the Alexandria-Lincolnia Lions Club. If you have eyeglasses or hearing aids that you no longer need or use, consider dropping them into the Lions Club donation box in my office. Your used specs can provide improved eyesight to those in need.

Some special February dates prompt reminders: Get those flowers and chocolates ready for Valentine's Day, on **Wednesday, February 14**. Then, for Presidents' Day, observed this year on **Monday, February 19**, you can visit Mount Vernon (free admission), home of our first president, George Washington, and learn more about the fascinating early history of Fairfax County.

Reminder: Help Feed Fairfax County Families by Stuffing the Bus – Help families in need of food by donating to "Stuff the Bus," a food pantry giving program operated by Fairfax County that partners with nonprofit organizations, grocery stores, and MV Transportation to restock

depleted food pantry shelves. On **Saturday, February 10, 2018, from 9:30 a.m. to 4:30 p.m.**, the "Stuff the Bus" program will be at the **Annandale Giant, 7137 Columbia Pike**, and will benefit the Annandale Christian Community for Action (ACCA). Other February "Stuff the Bus" events will be held **Saturday, February 3, 17, 19 (President's Day Monday), and 24, 2018, 9:30 a.m. to 4:30 p.m.** at local grocery stores. Volunteers for local non-profit food pantries will be available at each store to collect donated food from local shoppers. For more information and a list of donation sites, collection dates, and times, call 703-222-9764; TTY 711, or visit the Web site www.fairfaxcounty.gov/neighborhood-community-services/stuff-the-bus.

Mason Matters! The Television Show – Heart disease and strokes kill one in three women each year – more than all cancers combined. There are even greater disparities within the African American and Hispanic population, where heart disease and stroke rank as the number one killer of women. In Fairfax County, we are fortunate to have many outstanding physicians and private medical facilities in the community to meet women's health needs, especially against heart disease. Fairfax County also has several non-profit public organizations that help women achieve heart health. One such resource is Mason District's own Culmore Clinic. Founded in 2007, the Culmore Clinic is a non-profit healthcare clinic serving low-income adults in the Bailey's Crossroads community. The clinic is supported by a diverse group of interfaith volunteers, healthcare providers, and donors, and offers compassionate medical care, counseling services, and referrals for specialists. The **February** edition of ***Mason Matters!***, the television show that brings you news and information about our Mason District community, hosted by Supervisor Penny Gross, features Terry O'Hara Lavoie, co-founder of the Culmore Clinic, and Dr. Tarek Abou-Ghazala with the Virginia Cardiovascular Group. ***Mason Matters!*** airs on

Cable Channel 16 every **Thursday at 7 p.m.**, and every **Friday and Sunday at 6:30 p.m.**, and daily on-line at www.fairfaxcounty.gov/mason.

The Quick 411 – I am planning a home renovation this spring and I would like to hire a contractor to do the work. I want to verify that my contractor has a license, and I have other related questions. Does Fairfax County offer information that I can utilize before I begin my project? Yes. If the project you are planning is valued at \$1,000 or more, the person doing the work must have a valid Virginia Contractor's License issued from the [Department of Professional and Occupational Regulation \(DPOR\)](#). Licenses are issued in one of three classes; A, B, or C. This determines the dollar amount of the contract. Licenses also are issued with classifications and specialties that identify the type of work that may be performed. For information about hiring contractors, verifying that a contractor is licensed, filing a complaint, and more, visit www.fairfaxcounty.gov/landdevelopment/hiring-contractor.
